

SQUARE GRILLES P2283

The P2283 grille is designed exclusively for the P7120 speaker.

It is offered as a separate unit.

Dimensions: 151x152x12

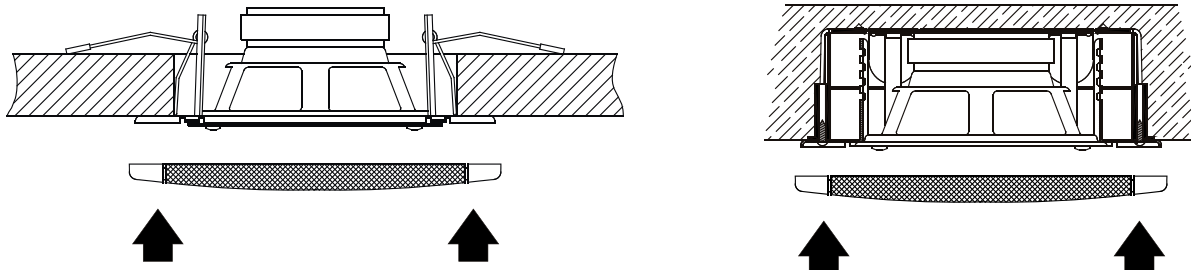

Weight: 70 gr.

DESCRIPTION

Metallic grille of the Prestige series, in white (P2283-01) and grey (P2283-02) for the 4" speaker mod.P7120 of the Prestige series. It is easily mounted by applying light pressure.

DETAIL OF INSTALLATION OF GRILLE P2283

Once the P7120 speaker has been installed, place the grille as shown in the diagram and press until it is securely fixed. The grille is available in two colours, P2283-01 white and P2283-02 black.

ASSEMBLY DETAIL

The fixing system between metal plate and frame has been modified in order to improve mounting/dismounting. If you face a metal plate not modified, you just need to cut the 4 inner side stops of the frame.
